DETAILED ACTION

Election/Restrictions

1. Restriction to one of the following inventions is required under 35 U.S.C. 121:
 - I. Claims 1-7, 9-12 and 14, drawn to giving incentives to a user, classified in class 455, subclass 405.
 - II. Claim 13, drawn to restriction of phone functions, classified in class 455, subclass 418.

The inventions are distinct, each from the other because of the following reasons:

Group 1 is drawn to a cellular phone that receives incentives based on the user who has paid charges as a good specific user and posting a cellular phase of good specific user by mail on the provision of an incentive.

Group 2 is drawn to a cellular phone having a restricting unit which when a judging unit judges that an e-mail designates a restriction of the certain function of the cellular phone, imposes a restriction on the certain function of the cellular phone.

2. Because these inventions are distinct for the reasons given above and the search required for Group 1 is not required for Group 2, restriction for examination purposes as indicated is proper.

3. A telephone call was made to John Garvey on May 16, 2004 to request an oral election to the above restriction requirement, but did not result in an election being made.

Applicant is advised that the reply to this requirement to be complete must include an election of the invention to be examined even though the requirement be traversed (37 CFR 1.143).

4. Applicant is reminded that upon the cancellation of claims to a non-elected invention, the inventorship must be amended in compliance with 37 CFR 1.48(b) if one or more of the currently named inventors is no longer an inventor of at least one claim remaining in the application. Any amendment of inventorship must be accompanied by a request under 37 CFR 1.48(b) and by the fee required under 37 CFR 1.17(i).

5. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Temica M. Davis whose telephone number is (703) 306-5837. The examiner can normally be reached Monday-Friday (alternate Fridays) from 9:00am-3:00pm.
